RASULPUR PROTIK
GROUP OF INSTITUTIONS

A Trusted Name of
Medical Education in West Bengal

Rasulpur, Bankura, West Bengal - 722205

Call - 9046 777 011

Greetings!

The onus being on holistic preparation of nurses, the Rasulpur Protik Group of Institutions was established in the year 2020, with the twin objective of empowering Nurses with quality education and manpower development. The Hon'ble founder president Shaikh Abdus Sabur (President of more than five educational institutes) is the pillar and founder of this Group of Institutions. The Rasulpur Protik Group of Institutions is headed by our Hon'ble Secretary Shaikh Abdus Samad and our dynamic Administrative director Md Rafiqul Islam. Rasulpur Protik Group of Institutions strives to provide the best nursing education that combines the development of cognitive, affective as well as psychomotor domains of learning by adapting to recent technological advances. Now a days, numerous medical training institutes associated with healthcare services have been established all over Indian Continent. However, few of them can claim to be the best since they provide extensive knowledge in this field of education. Rasulpur Protik Group of Institutions is providing the best nursing Courses in Bankura, an institute founded on the principles of honesty and transparency in both the sectors of Education and Healthcare. Within a short span of the establishment, the Institution is built on an Eco-friendly campus, own spacious College & Hostel Buildings as per Indian Nursing Council Norms at Rasulpur. Rasulpur Protik Group of Institutions embarked upon its mission of preparing nursing cadets to serve the needy nationally. We offer 3 years Diploma in General Nursing and Midwifery course (GNM) and B.Sc. Nursing (4 years) for Male & Female with highly qualified faculties. Also, we have excellent infrastructure with conducive learning environments like library facilities hostel facilities with all the available amenities to support the students' study, success and achievement.

Be proud to be nurse, serve the humanity.

The "Rasulpur Protik" trust is spreading its wings & has set up a nursing college at Rasulpur. Rasulpur Protik Group of Institutions started its journey in January-2020 under Rasulpur Protik trust. The vision behind the institute is to provide world class nursing education by inculcating moral values and all-round development which enables students from various backgrounds to become true professional in the nursing field. I firmly believe that at Rasulpur Protik Group of Institutions, you will be empowered with the best in class education, skill development and thus mould you for a bright future ahead...

I wish best of luck for all the students who look forward to embarking on the journey of their career with Rasulpur Protik Group of Institutions, Rasulpur. You may rely on us for charting the best career graph for you. We have exemplary vision of taking this college to greater heights. Happy Learning and stay blessed at RPGI!!!

Mr. Shaikh Abdus Sabur

Directors of Rasulpur Protik Group of Institutions

Remember you are the largest work force in the health care sector. The role of the nurses is very important as you are in the front lines to give care to the patients. I am sure your journey in Rasulpur Protik Group of Institutions will be a smooth one. Your hard work and sacrifice will certainly make you a qualified health care professional. As a nurse, you will be called 'angels' and truly to the sick and suffering people you will bring solace and will be an angel.

Welcome to RPGI God bless.

Mr. Md Rafiqul Islam

Administrative Director of
Rasulpur Protik Group of Institutions

VISION

Rasulpur Protik Nursing Institution is a private institution of higher education dedicated exclusively to educating students for the diverse opportunities offered by careers in nursing and other health care fields.

PHILOSOPHY

Rasulpur Protik Nursing Institution flows from the mission of the school and supports the concepts of clinical competence, excellence in education, holistic care, professionalism, evidence-based practice, and lifelong learning.

OBJECTIVES

- Prepare nursing graduates to assume responsibility in preventive, promotive, curative & rehabilitative care of patients in hospital and community level.
- To meet the requirements of dedicated nurses for various hospitals in India and other countries as well.
- To meet the acute shortage of qualified nursing personnel in the country in general and Uttarakhand State in particular.
- To promote and strengthen the nursing skills for better competence in the nursing profession in general and patient care in particular.
- To produce 'Nurse Administrators and educators in the hospital and in the community for better implementation of National Health Programmes.
- To provide qualified nurses to the country to cope up with the advancement in Medical Science and Technology.
- To enable them to get job opportunities at an economically better position.

OVERVIEW OF THE PROGRAMME

Nursing is a profession within the health care sector focused on the care of individuals, families and communities so they may attain, maintain or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training and scope of practice. Nurses practice in many specialties with differing levels of prescription authority. Education for the practice of professional nursing demands a substantial knowledge of nursing, drawing the foundation from knowledge of the physical and biological sciences. The nursing component includes lectures, laboratory and clinical courses concentrated in every nursing programme. The nursing courses include course work relevant to professional practice, delivery of nursing care, systems for care delivery and leadership skill development appropriate to current dynamic and diverse health care settings. Clinical courses, offered in both hospital settings and the community, provide students with the opportunity to apply theoretical knowledge to practice.

Rasulpur Protik Group of Institutions follows the syllabus laid down by the Indian Nursing Council (INC). The Nursing curriculum allows students to take part in rural and urban health camps; educational field visits, industries etc. This nursing programme is based on education within an academic framework specifically directed to the development of critical thinking skills, and standards required for practice of professional nursing. Nursing education programmes prepare its graduates into an admirable citizen by adhering to code of ethics and professional conduct at all times in fulfilling their duties....

At the end of the students are well equipped with knowledge and skills to pursue a career in Nursing.
